  - Lighting - Lauren/Daniel

## Staff updates

5:20pm, 30 minutes

### Park Planning - Todd Miller

#### Bike, Pedestrian and Safety Coordinator - Daniel Sizemore

- Vision Zero Coordinator position passed - next steps
- Vision Zero Resolution
- Projects:
  - Cherokee Road has 85 percent construction plans - M&C voted for design only for now, so plans are on hold until funding is identified.
  - Barber Street needs an AiMC special called session for July. Daniel will also give an outline of the process for this project moving forward.
  - Oglethorpe/Hawthorne bike lanes - October/November M&C cycle
  - Other projects
- StreetLight Data - update
- Technical Standards for Bike Lanes and Multi-Use Paths - update
- Bike Friendly Community - New criteria and standards - need help with data collection
- If time: TSPLOST 2023 passed - what is next for TPW and how can we help?
- Other updates

## Committee Reportback

5:50pm, 10 minutes

### Corridor Committees

- Atlanta Highway
- Lexington Road
- Prince Avenue
  - See Pilot Project item above
