- Motion approved

Staff Reports

- Todd Stevenson
  - TSPLOST committee and mayor and commission are reviewing the proposal for live stream replacements
  - Looking at amending costs for reviewing sites
  - Amendments to the mass grading ordinance were approved at Mayor and Commission meeting yesterday.
  - Quasi-Public and Private Level of Service for consideration
    - Rock program
      - General approval by committee
    - Driveway pipes
      - Driveway pipes are in more rural areas because they're necessary where there are roadside ditches
    - Zone of influence
    - DIAs
      - We know they're not doing what they were intended to do and there's too much of a capital deficit to continue the way things have going
  - General consensus among the committee that PW-002 should be updated
