

Stormwater Advisory Committee
Meeting Minutes
9/1/21

In Attendance:

- Bruno Giri
- Cassidy Lord
- Katie Hill
- Jamie Hill
- David Hyde
- Todd Stevenson (ACC)
- Stephen Bailey (ACC)
- Cecile Riker (ACC)
- Nancy Cerrato (ACC)

Approval of August's minutes without revisions

- Motion proposed by Cassidy Lord
- Motion seconded by Jamie Hill
- Motion passes

Approval of September agenda without revisions

- Motion proposed by Bruno Giri
- Motion seconded by Cassidy Lord
- Motion passes

Public Comment

- No new comments although Commissioner Houle has mentioned some of his constituents have shown an interest in the committee

Discussion of informational materials

- General consensus that the level of service video is invaluable information for ACC landowners
- Concern about lack of knowledge on behalf of residents about how their fee is calculated and what it is used for
- There's a need for public education about the link between the stormwater fee and the Clean Water Act
- Current capital deficit for live stream pipe replacement is \$25 million
 - There is currently only \$2.5 million in the budget for these repairs
 - Repairs have been made under emergency conditions using stormwater fee funding
 - Can the county find funding to cover the full deficit now and come up with a mechanism to start building for future replacement needs?

- Clean Water State Revolving Fund through the Georgia Environmental Finance Authority

Staff Reports

- Introduction of Cecile Riker and overview of her role conducting outreach and education for the Stormwater Department
- Introduction of Nancy Cerrato and overview of her role in billing for the Stormwater Department
- Discussion of the causes of the customer concerns discussed at the August meeting

Next Meeting

- October 5th at 12pm
