Main Street and Cherokee Road Intersection Improvements

Connection to the Firefly Trail

- ✓ **Goal Area 1 - Good Neighbors**
 - ✓ Drive community transformation with a focus on creating spaces that are respectful and welcoming
- ✓ **Goal Area 2 - Safely Move Around Athens**
 - ✓ Pursue inter-city travel options to connect Athens with other cities
- ✓ **Goal Area 6 - Built and Natural Infrastructure**
 - ✓ Provide adequate funding for maintenance of existing and newly constructed infrastructure

Inter-city Travel and Connections

Proposed improvements would connect 61 residence along Parkview Road and Winterville Station to the Firefly Trail and into the core node of the City of Winterville

✓ **Goal Area 1 - Good Neighbors**

- ✓ **Support & Promote healthy lifestyle: moving, eating, forming healthy relationships, physical and psychological care.**

✓ **Goal Area 2 - Safely Move Around Athens**

- ✓ **Improve, expand, and maintain sidewalks, shared-use paths, and bike facilities to provide greater opportunities for residents to use active transportation safely**

✓ **Goal Area 6 - Built and Natural Infrastructure**

- ✓ **Ensure equitable access to infrastructure to enhance safety and identity**

How does this project meet TSPLIST 2026 Program Goals and Selection Criteria?

- **Goal Area 1 – Good Neighbors**

- **Section D: Transforms Robert Hardeman Road by creating a pedestrian access that is respectful and inviting.**
- **Section E: Supports and promotes healthy lifestyles by creating interconnectivity with the Firefly Multi-Use Trail and pedestrian access to Winterville core.**

- **Goal Area 5 – Safely Move Around Athens**

- **Section A: Improves and expands connections to the Firefly shared use and bike path to provide greater opportunities for active transportation.**
- **Section B: Pursues inter-city travel options to connect Athens with other cities.**
- **Section D: Creates more usable and aesthetically pleasing corridors between the residential street and the commercial core of Winterville.**
- **Section E: Enhances safety for drivers, pedestrians, and cyclists.**

- **Goal Area 6 – Built and Natural Infrastructure**

- **Section A: Develops well-planned new infrastructure according to future land use framework.**
- **Section B: Ensures equitable access to residence along Robert Hardeman Road to enhance safety and identity**
- **Section E: Addresses ecosystem health, infrastructure sustainability and resiliency by creating pedestrian opportunities for A-CC residence.**
