

Athens-Clarke County Public Utilities Department  
**2020 Capital Improvements Element**

Project  
**4-302**

**Project Name**

Atlanta Highway Elevated Storage Tank and Booster Pump Station

**Project Category**

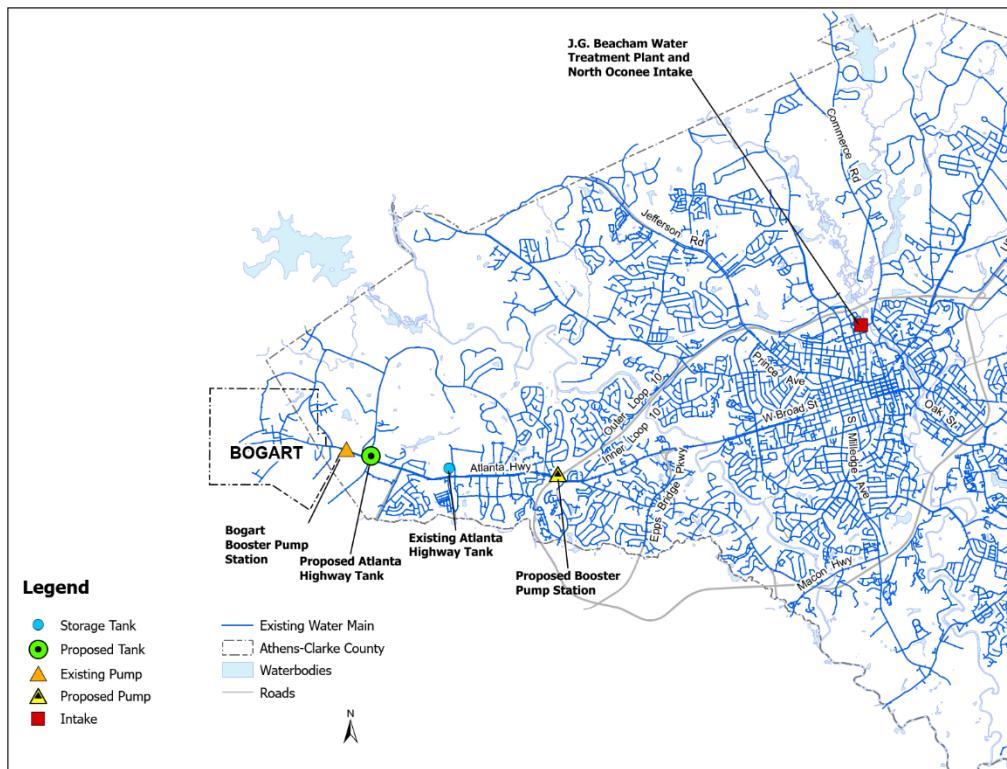

System Expansion

**Project Cost**

\$11,000,000

**Key Elements**

1. Replace existing elevated storage tank and booster pump station

**Project Description**

Demolish existing 0.5 MG elevated storage tank and booster pump station. Replace with a larger elevated storage tank and a booster pump station to develop a high pressure zone in the western portion of Athens-Clarke County.
