

Fare-Free Rides!

Athens-Clarke County Transit has gone fare-free through June 30, 2022.

Just one more reason to avoid the fuss and ride the bus, for FREE!

If fares are reinstated, tickets are available through the Token Transit app or at the Multimodal Transportation Center. Cash is also accepted, but no change can be made.

ACC Transit on Google Maps!

Just select the train icon, input your origin and destination and you can plan your trip, get walking directions, schedules and stop information.

Live Bus Tracking

Download the myStop app wherever you get your apps. myStop puts real-time bus information at you fingertips. Plan a trip, find exact bus locations, stop locations and routes. You can even see how many riders are on each bus to help guide your travel decisions!

How to Ride the Bus

- 1 Find your location on the map.
- 2 Check the timetable for the closest timepoint to your location. There are many additional stops between the timepoints not listed on this flyer. You can find these using the myStop app. Plan to arrive at your stop a few minutes early. You can track your bus live with the myStop app.
- 3 Read the timetable from left to right and top to bottom.
- 4 If you need to take more than one bus to reach your destination, you'll want to check that bus's schedule to choose the best transfer point. You can ask your operator for assistance.
- 5 If fares are being charged, have your ticket or exact fare ready. The operator cannot make change. Check the bus number on the side or front of the bus. Enter through the front, find your spot and enjoy the ride!
- 6 Just prior to your stop, pull the cord located at the top of the windows to let the operator know you would like to stop. Check for your belongings and exit through the back door.

Bus-N-Bike

ACC Transit's "Bus n' Bike" program makes daily commuting easier, safer, and more convenient for cyclists.

Bike racks on the front all of our buses can hold three adult-size bikes. For detailed information on how to load and unload your bike visit:
