How to Ride the Bus

- 1 Find your location on the map.
- 2 Check the timetable for the closest timepoint to your location. If you will be catching the bus at a stop not listed in the timetable, plan to arrive at your stop by the time listed for the preceding timepoint.
- 3 Read the timetable from left to right and top to bottom.
- 4 If you need to take more than one bus to reach your destination, ask your operator for a transfer.
- 5 Use exact fare. The operator cannot make change.
- 6 To indicate your stop, pull the cord located at the top of the windows or press the black strip between the windows.

Bus-N-Bike

ACCT "Bus n' Bike" program makes daily commuting much easier, safer, and more convenient for cyclists.

Special carriers on the front of the bus allow riders to easily store bicycles while riding. Each carrier can hold at least two adult-size bikes. For detailed information on how to load and unload your bike visit: www.accgov.com/2105/Bus-N-Bike

The bus stops many more places along the route than are shown in the schedule. The times shown here are for these specific locations but are not the only stops along the route. Call 706.613.3430 for detailed schedules or use the myStop app.
