

# How to Ride the Bus

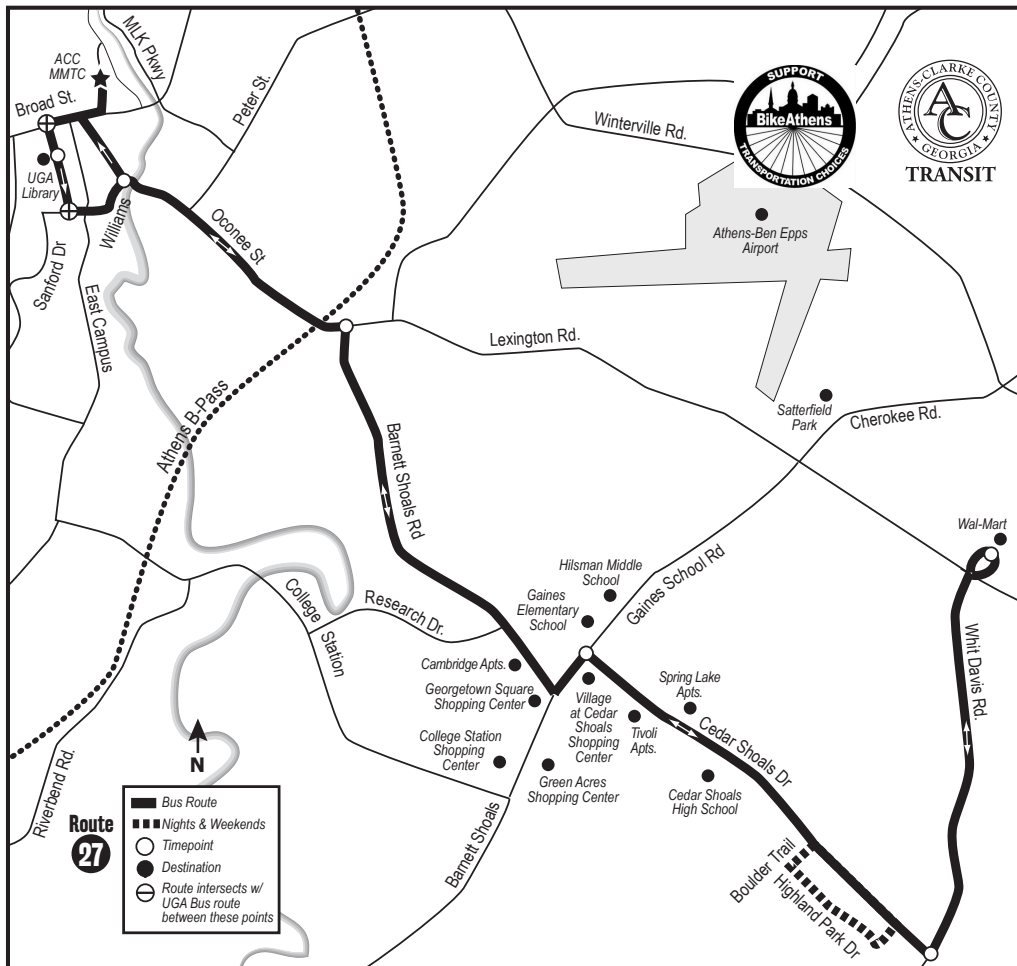

- 1 Find your location on the map.
- 2 Check the timetable for the closest timepoint to your location. There are many additional stops between the timepoints not listed on this flyer. You can find these using the myStop app. Plan to arrive at your stop a few minutes early. You can track your bus live with the myStop app.
- 3 Read the timetable from left to right and top to bottom
- 4 If you need to take more than one bus to reach your destination, you'll want to check that bus's schedule to choose the best transfer point. You can ask your operator for assistance.

- 5 If fares are being charged, have your ticket or exact fare ready. The operator cannot make change. Check the bus number on the side or front of the bus. Enter through the front, find your spot and enjoy the ride!
- 6 Just prior to your stop, pull the cord located at the top of the windows to let the operator know you would like to stop. Check for your belongings and exit through the back door.

## Bus-N-Bike
