USE	AMOUNT	INSTRUCTIONS
Plant Bed Embellishment	135-270 CY/ Acre or 1-2 inches deep	Incorporate with soil to a depth of 6-8 inches. Establish a smooth bed by raking. Water and fertilize as necessary to assure proper growth.
Landscape Mulch	135-400 CY/ Acre or 1-3 inches deep	Apply around the base of plants. Avoid placing against the stem or trunk of the plant. Evenly apply to create a solid layer.
Turf Establishment	125-270 CY/ Acre or 1-2 inches deep	Apply with appropriate equipment. Incorporate with soil to a depth of 5-7 inches. Establish a smooth planting bed. Water and fertilize as necessary to assure growth.
Growing Media	Use at a 20-30% rate	Blend medium components. DO NOT add water before blending. Plant the individual plants, firming around the base to provide physical support. Water and fertilize as necessary to assure proper growth.
Vegetable Gardens	Use at 10-80 dry tons per acre	Apply throughout the field or in rows. Incorporate with soil to a depth of 6 inches. Plant seed. Water and fertilize to assure proper growth.

This product is made from biosolids from Athens-Clarke County Water Reclamation Facilities and ground leaf and limb debris. The Athens-Clarke County Solid Waste Department does not issue any warranties, expressed or implied, on this soil amendment. Use of this product is at the customer's discretion. This product has met all the requirements of 40 CRF Part 503. It satisfied the criteria for Exceptional Quality, Class A Biosolids. Athens-Clarke County Solid Waste Department is not responsible for any loss or damage resulting from the use of this product. Any use other than that in the directions above is forbidden.

US Composting Council
 Seal of Testing Assurance

This compost product has been sampled and tested as required by the Seal of Testing Assurance Program of the United States Composting Council (USCC). Test results are available upon request by calling Athens-Clarke County Landfill at 706-613-3508 or can be found on-line at www.athensclarkecounty.com/solidwaste (under landfill and commercial composting) . The USCC makes no warranties regarding this product or its contents, quality, or suitability for any particular use.
