IN THE SPOTLIGHT

LUKE VAUGHN has been with the ACT program for 2 summers now. He attends Jasper County High School and heard about

ACT through our Program Specialist, Terry Powell, who invited him to come join us in the summer of 2017. Luke was immediately a favorite of our summer theatre program participants with his energetic personality and exuberant passion for theatre. He has since become a valuable member of the ACT summer program team.

Luke's primary theatre interests includes; acting, sound, and lighting design. Not only is he a participant of theatre, he is a driven leader in his theatre community. Luke recently was awarded a \$5,000 grant for his school to update their lighting grid and also works with the Thomas Person theatre in Monticello as a lighting technician.

We are very fortunate to have Luke with us for our summer programs and are so excited to see where his theatre career takes him.
