

# Project SHARE

*giving the GIFT OF WATER to our community*

Emergencies, health crises, and challenging economic times often make it difficult for people to pay their water bills. Project SHARE is a program for Athens-Clarke County residents to assist those in need.

You can make a one-time voluntary gift to make a difference in your community.

One-time donations can be made two ways:

1. To make a **one-time contribution through your monthly water bill**, please complete the following:

Name: \_\_\_\_\_

Water Account #: \_\_\_\_\_

Signature: \_\_\_\_\_

Donation Amount: \_\_\_\_\_

2. To make a **one-time contribution by check**, please make your check to "ACC WBO" and in the memo line include "ACC Project SHARE".

How did you learn about Project SHARE? (check all that apply)

**RETURN** this completed form and check to:

ACC PUD, Project SHARE  
124 E. Hancock Avenue  
Athens, GA 30601

*Administered by The Salvation Army of Georgia, all funds collected are allocated for water customers within Athens-Clarke County. Your generous donation ensures delivery of this essential resource to our neighbors.*

*The Salvation Army is a 501(c)(3) organization. As a Salvation Army program, gifts made to Project SHARE are tax-deductible. Please contact the Salvation Army for more information.*
