

# Masks On, Athens!

- **Wear a face cover in Athens-Clarke County whenever you are going to be around other people.**
- Face covers help slow the spread of COVID-19 by protecting you and other people around you.
- Face covers may be made from household items such as scarves, bandanas, or other suitable fabrics.
- Face covers should cover your mouth and nose.
- Follow CDC guidelines for putting on, removing, and washing cloth face covers.

**We're all in this together.**
