

FULL HOUSE 2020 GUIDELINES

LYNDON HOUSE ARTS CENTER

WORKS

Full House is an invitational exhibition open to members of the groups and guilds that call Lyndon House Arts Center (LHAC) home. The 2020 Full House Exhibition will be online. Please submit only recent artwork. Works exhibited previously at LHAC are not eligible. Please see below for additional information about photographing artwork and labeling images. The deadline for submissions is October 22, 2020, at midnight. The exhibition will be on view online for two years beginning November 12, 2020.

This year, artists may submit a different artwork for each of their organizations. Artworks should be representative of the mission of the organization. Organizations are responsible for verifying current membership.

PROMOTIONS AND SALES

Lyndon House Arts Center reserves the right to use images of artworks in the virtual exhibition for promotional materials. Artist retains copyright. Works may be for sale (LHAC takes a 30% commission) or not for sale (NFS). LHAC will facilitate sales in the following manner: patrons can contact the arts center if interested in an artwork in the online exhibition. LHAC will notify the artist and provide an appointment time for the artist to bring the artwork to LHAC. Artists must complete a W9 to receive payment. Artists are responsible for notifying LHAC if an artwork is sold elsewhere, or is no longer available for sale via LHAC. Please note that this exhibition will be online for two years, and promoted heavily through January 9, 2021.

SOCIAL MEDIA

The Lyndon House Arts Center will feature the Full House 2020 exhibition on social media platforms, using answers artists provide to an optional series of questions on the entry form.

IMAGES

Images should be 150 dpi. Please save your file as a jpeg with the artist's last name and first initial in the file. Include entry number in file name. Ex: LukasiewiczN1.jpeg. The preferred ratio is 3:4 for vertical images and 4:3 for landscapes.

There are many resources for photographing artwork online. Here are links to videos on YouTube:
