

East Athens Neighborhood Pavement Management

TSPLOST 2023 – Project No. 40

Project Scope

Resurface and provide needed maintenance for existing public streets within the East Athens Neighborhood, such as Fairview Drive and other locations, as required.

Fairview Street

- Milling and resurfacing on Fairview Drive, entire length of approximately 3,200 lane miles.
- Resurfacing of other streets within the East Athens Neighborhood as required.

In what specific ways will this project “Close the Equity Gap” in Athens-Clarke County, by improving the Equitability of Capital Improvements throughout the entire community?

The project provides capital improvements to the East Athens Neighborhood, a traditionally underserved area of our community.

- The project invests in infrastructure improvements that address maintenance issues that have been overlooked in past public investments.
 - The project invests in infrastructure that will provide a greater quality-of-life for residents by improving their day-to-day experiences in the neighborhood and protecting the residents’ property and property investments.
-

How will this project address one or more of the Mayor and Commission approved Strategic Commitments and Project Selection Criteria?

- **Protects the community's existing Transportation Infrastructure Investments** by increasing the life of the existing roadways.
 - **Reduces Pavement Maintenance deficit** by directly requesting funds to provide pavement maintenance of existing roadways.
-

What aspects of this project will focus on improving the “Triple Bottom Line” (Impact on Economic Prosperity, Social Well-being, and the Environment)?

- This project positively impacts **Economic Prosperity** and **Social Well-being** by improving neighborhood roadways, thereby retaining property values for underserved areas of the community.
