# **In what specific ways will this project “Close the Equity Gap” in Athens-Clarke County, by improving the Equitability of Capital Improvements throughout the entire community?**

The project provides capital improvements to the North Athens Neighborhood, a traditionally underserved area of our community.

- The project invests in infrastructure improvements that address health and safety concerns of existing conditions by improving traffic circulation and regulating vehicle speeds.
  - The project invests in infrastructure that will provide a greater quality-of-life for residents by improving their day-to-day experiences in the neighborhood and protecting the residential nature of the community.
-

# How will this project address one or more of the Mayor and Commission approved Strategic Commitments and Project Selection Criteria?

- **Promotes the Goal of improving Equitability of Capital Improvements throughout the Community** by focusing on improvements in the North Athens Neighborhood, an underserved area of A-CC.
  - **Promotes Health and Safety** by reducing speeding and creating safer community streets.
-

# What aspects of this project will focus on improving the “Triple Bottom Line” (Impact on Economic Prosperity, Social Well-being, and the Environment)?

- This project positively impacts **Economic Prosperity** by encouraging safer street access thereby increasing economic opportunities for traditionally underserved residents.
  - This project positively impacts **Economic Prosperity** by creating safer streets, thereby reducing threats to incidents of bodily harm that can have significant and long-lasting impacts on an individual's and family's, and thus the community's, potential for economic prosperity.
  - This project positively impacts **Social Well-being** by creating safer streets, thereby improving equitable access to public facilities.
