

# **A Resolution Recognizing the Second Monday of October as Indigenous Peoples' Day**

**The Unified Government of Athens-Clarke County, Georgia  
October 5, 2021**

**WHEREAS**, the Unified Government of Athens-Clarke County, Georgia (ACCUG) recognizes that the Indigenous Peoples of the lands that would later become known as the Americas have inhabited these lands since time immemorial; and

**WHEREAS**, the Athens-Clarke County (ACC) area encompasses ancestral homelands of Indigenous Peoples' Nations; and

**WHEREAS**, ACCUG recognizes the fact that the City of Athens, the University of Georgia, and Athens-Clarke County are all built upon the homelands and towns of the Indigenous Peoples of this region; and

**WHEREAS**, ACC has benefited directly from Indian removal policies that violated human rights, broke government treaties, and forced Cherokee and Muscogee (Creek) People from their homeland; and

**WHEREAS**, facing and acknowledging our past, the good as well as the bad, makes our community stronger and more resilient; and

**WHEREAS**, ACCUG recognizes and values the many contributions made to our community through Indigenous Peoples' knowledge, labor, technology, science, philosophy, arts, and deep cultural contribution; and

**WHEREAS**, the Cherokee, Muscogee (Creek), and other Indigenous Peoples in and from the Athens-Clarke County area have, as in all parts of the Americas, endured centuries of cruelty, exploitation, and genocide; and

**WHEREAS**, ACCUG has a responsibility to oppose the systematic racism towards Indigenous Peoples in the United States, which perpetuates high rates of poverty and income inequality, exacerbating disproportionate health, education, and social crises; and

**WHEREAS**, ACCUG desires to promote the closing of the equity gap for Indigenous Peoples through policies and practices that reflect the experiences of Indigenous Peoples, ensure greater access and opportunity, and honor our nation's indigenous roots, history, and contributions; and

**WHEREAS**, Indigenous Peoples' Day was first proposed in 1977 by a delegation of Native Nations to the United Nations sponsored by the International Conference on Discrimination Against Indigenous Populations in the Americas; and

**WHEREAS**, a growing number of United States cities, counties, and states have recognized the second Monday of October as "Indigenous Peoples' Day" reimagining Columbus Day as an opportunity to celebrate indigenous resiliency;

**NOW THEREFORE, BE IT RESOLVED** by the Mayor & Commission of Athens-Clarke County, Georgia, as follows:

**Section 1.** Those now living on these ancestral lands recognize that harm was done and acknowledge that we have a shared responsibility to forge a path forward to recognize and redress the past and continuing harm to the Indigenous Peoples and the land.

**Section 2.** In the pursuit of shared responsibility and of promoting knowledge about Indigenous Peoples, unifying communities, combating prejudice and eliminating discrimination against Indigenous Peoples, the Athens-Clarke County Unified Government does hereby resolve the second Monday in October of each year to be Indigenous Peoples' Day.
