Annual Budget Development Process

The Annual Operating and Capital Budget is the financial plan for raising revenues and expending funds for the Unified Government of Athens-Clarke County (ACCGov) departments, Appointed Officials, and Constitutional Officials (hereafter referred to as Departments).

The Annual Operating and Capital Budget process begins about nine months prior to the beginning of the fiscal year. Departments, Appointed Officials and Constitutional Officials submit operating and capital budget requests for Manager and Mayor review. No later than the end of April, the Mayor must submit a recommended budget to the Commission for review. The Commission will review the Mayor's recommended budget and make any adjustments they feel are necessary prior to adopting it in June. Major steps in the annual budget development process include:

- November Mayor & Commission establish budget goals.
- November Departments submit capital project requests and updates to five year Capital Improvement Plan (CIP).
- January Departments submit operating budget requests.
- February Mayor & Commission review budget requests from other agencies.
- February - March Manager and Mayor meet with Departments to review budget requests.
- April Mayor sends recommended budget to Commission.
- May Commission reviews Mayor Recommended Budget.
- June Commission adopts budget for next fiscal year and establishes the property tax millage rate.
- July Budget for next fiscal year begins on July 1.

FY24 Significant Budget Issues

Initiatives that pursue broad and deep public engagement include:

- Continue and enhance areas for community engagement including full year funding of the Digital Services Coordinator approved in FY23 and funding (\$15,000) for Spanish language materials for the Board of Elections.
- Increase in funding for Community Events Programming, as shared time in public events is a health enhancing element of Athens' social and cultural scene. (\$250,000 total via Hotel-Motel revenue)

There are a number of initiatives that continue to emphasize ACCGov's commitment to sustainability and livability:

- Funding for the Neighborhood Traffic Management Program (\$420,000), along with TSPLOST and previously approved funding, to address the backlog of requests over the next couple of years.
- Additional funding of \$100k from the General Fund along with \$700,000 from ARPA funds for Live Stream Stormwater Pipe Replacement.
- Funding for Unpaved Roads (\$200,000) and Railroad Crossings (\$200,000) to address remaining county-wide needs and address safety improvements and matching any federal dollars.
- This budget continues funding (\$75,000) for the Clean Tools initiative to replace ACCGov's gas powered tools with electric powered tools and \$125,000 to continue Corridor Beautification initiatives.
- Third and final year of shifting the costs for Recycling and Waste Reduction education from the Landfill Fund to the General Fund (net cost of \$260,000).

Public Safety initiatives that provide dignity to the public and improve safety continue as a key consideration:

- An additional \$2.1 million in the Sheriff's Jail budget for Medical Services for In-Custody Residents. This funding is to account for the annual cost for the new contract approved by the Commission on

February 7, 2023. In addition, a Medical Contract Compliance Officer position has been added in the Sheriff's Office to assist in managing this new contract.

- Police - Real Time Crime Center: \$100,000 funding of software to support analysis of law enforcement datasets, including videos, to improve investigative activities.
- Firefighters/EMT's for Ladder Trucks: \$200,000 adds three fulltime positions to increase staffing on ladder trucks to national standards. This is the first year of a three year phase-in to add a total of nine positions to support ACCGov's three ladder trucks.
- Fire – EMS Captains (3): \$148,000 (half year funding) to provide Emergency Medical Service supervision to each Fire Department shift.
- Funding an increase for the Public Defender's Office totaling \$132,600 for salary and benefit adjustments and increased operating costs.

Community needs supports include:

- Fully funds the requested increase (\$294,200) for the Athens-Clarke County Library for pay adjustments and security services.
- Continues annual funding for the Neighborhood Leaders Program of \$1.1M, an increase of \$70,000.
- Increased funding for the Homeless Street Outreach program from \$30,000 to \$130,000.
- Funding of \$100,000 in the District Attorney's Office for mental health counseling for victims of gun violence.

Broad-based support for a high quality Athens-Clarke County Unified Government workforce continues:

- Employee compensation is targeted for a 7% market increase along with up to a 1% pay for performance opportunity for each employee in the Unified Plan (non-public safety). For Public Safety employees, the structured Public Safety Step Plan is funded with a 7% pay table

increase and an additional \$495,000 to fund pay increases for scheduled step increases.

- Continued annual funding for employee benefits includes General Fund increases of \$1.3 million for Health Insurance, \$526,000 for Retiree Health and \$169,000 for Pension funding. In addition, this budget includes one-time support of \$750,000 to both the Health Insurance Fund for employees and the OPEB Fund (retiree health) to stabilize those fund balances.
- Increased support (\$16,000) for the Great Promises Partnership Program in conjunction with the Clarke County School District. This increase, along with existing funding, will fully support ten part time students for a full year.

Structure of Budgets

The ACCGov Budget is split into a number of funds or separate units for tracking the revenue and expenditure of specific activities. For example, some activities are required by law to be accounted for in a separate fund (e.g. Hotel/Motel Tax Fund and Emergency Telephone (E911) Fund), while other funds have been established by management to track specific activities (e.g. Water & Sewer Enterprise Fund and Landfill Enterprise Fund). A listing of revenues and expense budgets by fund can be found on pages **9** and **10**.

The General Fund is the largest fund and accounts for over half of government-wide revenues and expenditures. The General Fund budget supports the major portion of basic governmental services such as police, fire, judicial, planning, public works, leisure services, etc. These services are primarily supported from tax revenues such as the property tax and the sales tax. The FY24 General Fund operating budget totals \$170.7 million, and the General Fund Budget for capital projects is \$15.9 million for a total of \$186.6 million. A listing of budgeted revenues and expenditures by department in the General Fund can be found on pages **11** and **12**.

Special Revenue Funds are established to account for specific revenue sources that are legally restricted such as designated taxes, grants or other restricted revenue sources. Funds included in this group are the Community Development Block Grant (CDBG), the Hotel/Motel Excise Tax, Building Inspection, the Grants Fund, Tax Allocation Districts (TADs), and others. Budgets for Special Revenue Funds in FY24 total \$18.4 million.

Capital Project Funds account for financial resources used for the acquisition, construction and significant maintenance expenditures for major capital facilities and equipment (other than those financed by

enterprise funds). Budgets for the capital project funds in FY24 total \$13.9 million. (Note: Budgets for the Special Purpose Local Option Sales Tax (SPLOST) and Transportation SPLOST (TSPLOST) are established with referendum approval and are therefore not included with adoption of the annual budget).

Debt Service Funds are established to account for expenditures for debt principal and interest. For FY24, this includes the SPLOST Debt Service Fund which was established to account for debt service expenditures for the Special Purpose Local Option Sales Tax programs and totals \$15.5 million.

Enterprise Funds are used to account for operations that are similar to a private business or the governing body has identified a need to account for an operation in this manner. Funds in this group include the Water & Sewer operation, the Solid Waste Collection operation, the Landfill, the Airport, the Transit System (The Bus), and the Stormwater Utility Program. Enterprise fund budgets in FY24 total \$120.6 million.

Internal Service Funds are used to account for the operations of departments that provide goods and services to other government departments or agencies on a cost reimbursement basis. These include items such as vehicle maintenance, self-funded insurance programs, employee health insurance, and a vehicle replacement program. The budgets for internal service funds in FY24 total \$35.6 million.

General Fund Revenues and Expenditures Per Capita

General Fund Revenues: Property taxes account for the largest source of revenue - 47% or \$668 per capita - in the General Fund. The \$0.01 Local Option Sales Tax (LOST) accounts for approximately one-fifth of General Fund revenues. All tax revenues - property, sales and other - account for about 79% of all General Fund revenues.

Understanding Property Taxes

Annually, property tax rate or millage rates are adopted separately for ACCGov and the Clarke County School System. A tax rate of one mill is equal to a tax of \$1 for every \$1,000 of assessed property value. (Note: the assessed property value is equal to 40% of a property's fair market value). Taxes may be reduced further by certain exemptions such as the Homestead Exemption. In general, property taxes would be calculated as follows:

Fair Market Value X 40% = Assessed Value

Assessed Value – Exemptions = Taxable Value

Taxable Value X Tax Rate = Amount of Tax Bill

School	<u>\$ 1,692</u>	<u>59%</u>
Total	\$ 2,871	100%

Comparative Government Services Property Taxes

Using the prior year's property tax bill for comparison, the taxes on a \$250,000 home in Athens-Clarke County for government services (13.10 mills) are lower than all but one of the comparison Georgia governments. ACCGov has a larger homestead exemption than the comparison governments.

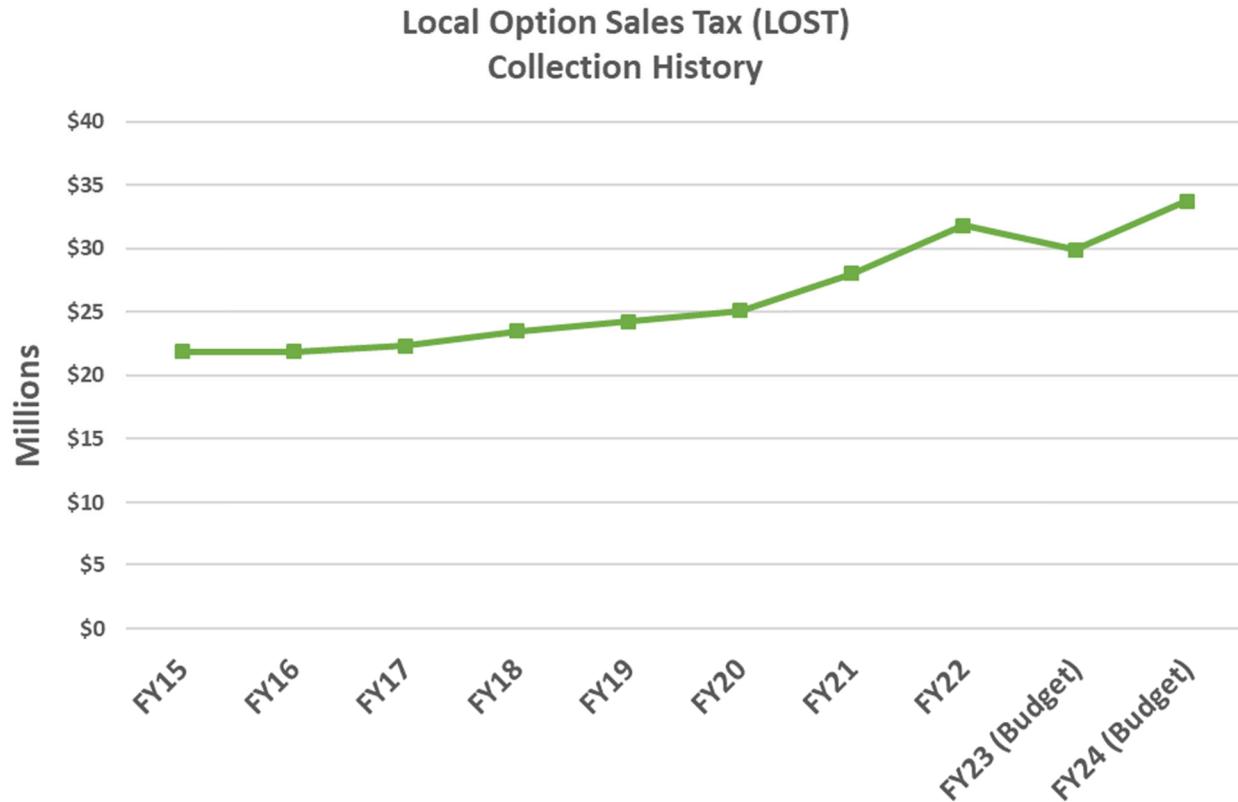

Understanding Sales Taxes

The tax rate on retail sales in Clarke County is \$0.08 for every \$1.00 of sales. The \$0.08 sales tax is divided as follows:

\$0.04 State of Georgia
\$0.01 LOST (Local Option Sales Tax) ACCGov General Fund
\$0.01 SPLOST (Special Purpose Local Option Sales Tax) Capital Projects
\$0.01 TSPLLOST (Transportation SPLOST) Capital Projects
\$0.01 ELOST (Education Special Purpose LOST) School Capital Projects
\$0.08 Total Sales Tax

The one penny LOST tax is the only sales tax revenue that goes into the Athens-Clarke County General Fund to fund ongoing operating expenditures. The SPLOST and TSPLLOST revenues go to ACCGov, Winterville, and Bogart and are accounted for separately and can only be used for capital projects approved by a voter referendum and not for operating expenses. The ELOST revenues go to the Clarke County School System and can only be used for school system capital projects approved by a voter referendum.

The current SPLOST (SPLOST 2020) was approved in November 2019 and collections of the tax began in April of 2020. The referendum funds a diverse list of 37 community improvement projects over twelve years totaling \$314 million. The planning, design and construction of the SPLOST projects are reviewed and approved by the Mayor and Commission at regularly scheduled meetings.

The current TSPLOST (TSPLOST 2023) was approved in May 2022 and collections of the tax began in October of 2022. The referendum funds a diverse list of 34 transportation improvement projects over five years totaling \$150 million. The planning, design and construction of the TSPLOST projects are reviewed and approved by the Mayor and Commission at regularly scheduled meetings.

The FY24 Capital Budget

A capital project is defined as an individual asset or project of at least \$30,000 and includes facilities, equipment, vehicles, infrastructure repairs and improvements. The FY24 Capital Budget for all funds totals \$59.7 million. In addition to the Capital Budget adopted each year, the Budget includes a five-year Capital Improvement Plan to guide and prepare for future capital improvements. Legal and Charter Requirements for the Annual Budget

There are several requirements under Georgia Law (O.C.G.A, Chapters 36-81) and the ACCGov Charter (Chapter 7) that must be met:

- Budgets must be balanced so that projected expenditures do not exceed projected revenues and available fund balances.
- Budgets must be provided at least at the department level and be separated by fund.
- A separate operating and capital budget must be submitted and adopted.
- The Mayor's Recommended Budget must be submitted to the Commission at least 60 days prior to beginning of the fiscal year.
- At the time the Recommended Budget is provided to the Commission, it shall be made available for public review.
- Public hearings must be held to receive public input on the proposed budget at least one week prior to the budget being adopted.
- Public hearings must be held to receive public input if the proposed budget will include an increase in the property tax millage rate.

During the fiscal year, the Mayor and Commission may change the Budget as needed through the adoption of a budget ordinance identifying the change. Also, departments can transfer budget funds between line items within their department's budget to cover unanticipated expenses with approval of the Finance Director. However, the department's total budget or fulltime authorized positions cannot increase without Mayor and Commission approval.

Mayor & Commission Strategic Plan Goals, Strategies and Initiatives

Listed below is the Mayor and Commission's Strategic Plan for FY23-FY25 approved on March 1, 2022. This plan has been used to guide the development of budget initiatives.

Goal Area 1: Good Neighbors-

- A. Work to create and implement systems to identify, acknowledge, and address racism, trauma, harm and violence in our community
- B. Proactively reform systems of accountability to reduce jail and supervised population and plan for transitioning and returning residents
- C. Decrease crime and keep residents safe through "community centric" services
- D. Drive community transformation with a focus on creating spaces that are respectful and welcoming
- E. Support and promote healthy lifestyle choices: moving, eating, forming healthy relationships, physical and psychological care
- F. Examine, understand and improve public safety policies and processes to enhance public trust

Goal Area 2: Identify and Close Gaps in Partnership with the Community-

- A. Partner to develop tools and relationships to increase awareness of and access to Athens workforce and workplace development opportunities
- B. Build and maintain two-way information pipelines through relationship building

- C. Identify ways to address unaddressed community needs and develop programs, policies, and processes to facilitate community transformation
- D. Effective and accessible social service delivery, nonprofit capacity building, and problem solving with connected community partners: Ensure existing resources reach marginalized people and those most in need
- E. Support diverse, innovative and creative economy

Goal Area 3: Organizational Improvement-

- A. Develop strategies to recruit, reward, and retain high performing employees, both internally and externally, including individuals coming out of the justice system
- B. Create a culture for high performance: increase interdepartmental collaboration, events, better cross-departmental workforce strategy
- C. Improve programs, processes, policies and communication external and internal, assess how resources are allocated to meet existing and future needs for better service delivery and what we deliver
- D. Increase resident engagement in the decision-making process to give greater emphasis to information and power sharing, mutual respect and reciprocity between residents and their government

Goal Area 4: Quality, Stable, Affordable Housing for All-

- A. Support home ownership by increasing opportunities for low and middle income people to own a home, help people retain and remain in homes

- B. Update development codes, zoning, and funding/resources resulting in diverse, affordable housing options to meet community needs
- C. Preserve and increase the supply of affordable rental housing
- D. Prevent and reduce homelessness by enabling supportive housing options that meet a variety of needs
- E. Improve equitable housing opportunities in identified disinvested or underinvested areas
- F. Provide support to tenants to improve quality of life

Goal Area 5: Safely Move Around Athens-

- A. Improve, expand and maintain sidewalks, shared-use paths, and bike facilities to provide greater opportunities for residents to use active transportation safely
- B. Pursue inter-city travel options to connect Athens with other cities
- C. Expand multi-modal Transit access to reduce auto-dependency and provide greater mobility for Athens residents
- D. Create more usable and aesthetically pleasing corridor connections between residential and commercial areas
- E. Enhance safety for all modes of transportation

Goal Area 6: Built and Natural Infrastructure-

- A. Well planned new infrastructure according to future land use values and framework

- B. Ensure equitable access to infrastructure to enhance safety and identity
- C. Adequate funding for maintenance of existing and newly constructed infrastructure
- D. Follow through on commitment to 100% Clean and Renewable Energy resolution
- E. Address ecosystem health, infrastructure sustainability and resilience
