# BIPOC ARTIST/CURATOR OPEN CALL

PROPOSALS REVIEWED ON ROLLING BASIS

## Application

**\*applications are accepted year-round\***

The Lyndon House Arts Center (LHAC) seeks individuals who identify as BIPOC, residing within Georgia, to apply for the BIPOC Artist/Curator Project funded by the Lyndon House Arts Foundation (LHAF). The selected individual/s will develop and design an art exhibition to be on display for six-to-eight weeks in the galleries at LHAC in Downtown Athens.

The goal of this project is to promote the curatorial and artistic professions and to provide our community with diverse perspectives and approaches relevant to our times.

A stipend of \$1,500 is provided to the Guest Artist/Curator for their creative contribution and their participation in two public-facing events related to the exhibition. These events provide the public with additional insight into the Guest Artist/Curator's unique vision and may take the form of an artist talk, demonstration, and/or a youth education program.
